to levy the registration fee under the new Municipal Regulation was questioned this fee was collected on the authority of an executive order of Govt and ~~credited to the Excise Dept~~ the Comptroller was requested to show this item as well as the registration & Surcharge fees on arrack shops under a separate head pending orders of Govt as to the Dept to which this amount has to be credited. Subsequently ie in Oct 1913, the registration and surcharge fees on arrack shops were assigned to the Municipalities concerned on the grounds that the ~~sudden~~ sudden withdrawal of these concessions will seriously affect the finances of the municipalities, and that they have no legal right to these items of revenue.

2. It is a point for consideration whether these arguments which are advanced in the case of arrack shops can be applied to foreign liquor shops so far as registration fees are concerned. In each of the two municipalities there are four such shops paying registration fees, and

the income comes to about Rs 720 a year in the case of each. In view of the facts that the Municipalities cannot levy this tax under the new Municipal Regn., that they have no legal right to this item now collected by Govt., and that the withdrawing of this small item cannot be considered to seriously impair their financial position as set forth in the GO of Octr 1913, it is asked for orders whether this income has to be credited to the Excise Dept or to the Municipalities concerned.

3. With regard to surcharge fees on foreign liquor, it may be mentioned that ~~the~~ this item has always been credited to the Excise Dept and it is not clear why the Excise Commr requires orders on the ~~item~~ credit of this item. It may be incidentally mentioned that the income from this source is very little.

SERIAL No. 1

Sir,

In inviting your attention to para 2 of the letter No. Fl.37/S.R.197 (-11-8) dated 4th July 1912 to the Comptroller and adverting to Government Order No.4066-9/Ml.272-11-13 dated 3rd October 1913, I have the honor to state that the above order relates to the assignment to the Municipal Councils of Bangalore and Mysore of Registration and surcharge fees on arrack shops, but is silent regarding the Foreign Liquor shops.

2. The Registration fees recovered from the Foreign Liquor shops were being credited to the respective Municipalities, but the surcharge fees used to go to the Excise Department. I therefore solicit instructions as to whether the Registration and surcharge fees recovered from the Foreign Liquor shops also should be similarly dealt with as is done in the case of arrack shops, or they should be credited to the Excise Department.

I have the honor to be,
Sir,
Your most obedient servant,
